MISSION STATEMENT

"To advocate for support, develop and maintain a cultural environment that acknowledges, informs, involves and enriches the communities of the Southern Tablelands region."

Southern Tablelands Arts is a community based and managed arts organisation that provides equal opportunity for individuals and communities to participate in the arts.

Members enjoy many benefits including regular information on cultural events, exhibitions and performances happening around the region, support and advice in applying to various funding bodies for grants and access to various practical workshops held throughout the region.

Membership is free and new members are actively encouraged to consider a position on the board, where you can have your say in the development and growth of arts in the Southern Tablelands.
